

# The Benjamin School

August 2006

Dear Parents and Grandparents,

The Benjamin School co-curricular program is a major component of the education our school provides our students. Your attendance at our athletic and performing arts events is essential to the success of our co-curricular program. We ask for your continued participation and support again this school year.

**Benjamin's co-curricular season pass offers discounted admission to the co-curricular events listed below. We offer this opportunity to encourage your attendance to all of co-curricular events and to provide a cost-savings and convenience to you.**

Here is how the season pass program works. The co-curricular season pass costs \$50 for one adult and provides admission to the events listed below. Additional season passes may be purchased at \$50 per pass. The total value of these activities is \$225 so you save \$175 by purchasing the \$50 season pass. Here is what is included with the purchase of one season pass:

**Varsity Athletic Events** (does not include pre or post season FHSAA games)

- Our 5 regular season varsity home football games (\$20 value)
- Our 12 girls and 13 boys varsity basketball home games (\$100 value)

For performing arts events with reserved or limited seating, co-curricular season pass holders will need to contact The Nook two weeks in advance of the event to reserve or pick up the event tickets.

Cardholders will need to present their card(s) at the gate for entry to athletic events. **TBS students will once again be admitted free to the athletic events listed above with proper school I.D.** (with the exception of pre and post season FHSAA games). Checks or money orders should be made out to TBS Co-Curricular Season Pass. Credit card orders will not be accepted. Season pass orders are not tax-deductible.

As always, we are grateful if you would like to make a tax-deductible gift to our programs. You will be receiving information from the Development Office about supporting The Benjamin Family of Annual Funds including areas of designation for Athletics and Arts. If you have any questions about making a gift or purchasing co-curricular season pass, please contact the Development Office at 561.472.3452.

Together, we can help make this another successful and rewarding school year for our students. We look forward to seeing you during the school year. Thank you for your support.
